

Please do not allow K-Love to be forced off the air by giving priority to LPFM. My family & I listen to K-Love 24/7, in the car as well as while we are sleeping. This station is so important to our community, as it may be the only exposure someone may have to hearing about Jesus & his incredible love for them. It has been known to have saved peoples lives more ways than one. Someone who was thinking about killing themselves was flipping through the stations & landed on K-Love playing a song that just reached them where they were & saved them. I would say it is Deinitely in the Public's interest to keep K-Love on the air. This station provides positive encouragement and wholesome values for our community and country. Something "WE ALL" desperately need. Please hear us and don" take our station. Thank you, Deborah
